Phone 206.782.DOGS  
Fax 206.784.DOGS

I (please print), \_\_\_\_\_, hereby certify that my dog (use separate form for each additional dog), \_\_\_\_\_, is in good health and has not shown symptoms of a communicable illness within the last 30 days.

I agree to notify the Daily Dog if my dog is showing symptoms or has been diagnosed with a communicable illness prior to bringing him/her to the facility. I understand that if my dog contracts a communicable illness, he/she will not be able to attend the facility. I will be responsible for keeping my dog up to date on all vaccinations recommended by the veterinarian, and I will submit a record that indicates my dog is current on his/her vaccinations as long as he/she is attending the facility. I also understand that vaccinations only decrease the risk of contracting a communicable illness and the Daily Dog can not be held responsible if my dog becomes ill. Nor will I hold the Daily Dog responsible if my dog has an existing medical condition that is aggravated or worsened by attending the facility.

I understand the various hazards associated with dogs in large groups and agree that the Daily Dog and its associations (staff, employees, owner, contractors) will not be liable for any problems that develop provided that reasonable care and precautions are followed, and hereby release them of liability of any kind arising from my dogs attendance at the facility.

The Daily Dog reserves the right to refuse or terminate admittance of my dog at any time if problems arise from his/her attendance. I further certify that my dog has not harmed or shown aggressive or threatening behavior towards any other dog or person. If my dog does cause harm or injury to any dog or person while attending the Daily Dog facility, I understand that it is my responsibility to cover any and all costs associated with the injury.

In case of an emergency, I authorize the Daily Dog to act on my behalf to provide necessary veterinary care. I understand that full measures will be taken for the care and life of my dog and I assume full financial responsibility for any and all expenses incurred.

My dog will meet the following requirements before he/she attends the Daily Dog facility:

- ✓ At least 16 weeks of age
- ✓ Dog and human friendly
- ✓ Spayed/neutered if over 6 months
- ✓ Free of communicable illnesses
- ✓ Clear fecal exam
- ✓ Current on veterinarian recommended vaccinations

***I certify that I have read and understand the Agreement and all of its parts. In order for my dog to attend the Daily Dog, I will abide by the Agreement and accept all of the terms, conditions and statements set forth. I also certify that the information on the Application is correct to the best of my knowledge.***
